1 AMENDMENT TO SENATE BILL 790

2 AMENDMENT NO. _____. Amend Senate Bill 790, AS AMENDED, by
3 replacing everything after the enacting clause with the
4 following:

5 "Section 5. The State Employees Group Insurance Act of 1971
6 is amended by changing Section 11 as follows:

7 (5 ILCS 375/11) (from Ch. 127, par. 531)

8 Sec. 11. The amount of contribution in any fiscal year from
9 funds other than the General Revenue Fund or the Road Fund
10 shall be at the same contribution rate as the General Revenue
11 Fund or the Road Fund, except that in State Fiscal Year 2009 no
12 contributions shall be required from the FY09 Budget Relief
13 Fund. Contributions and payments for life insurance shall be
14 deposited in the Group Insurance Premium Fund. Contributions
15 and payments for health coverages and other benefits shall be
16 deposited in the Health Insurance Reserve Fund. Federal funds

1 which are available for cooperative extension purposes shall
2 also be charged for the contributions which are made for
3 retired employees formerly employed in the Cooperative
4 Extension Service. In the case of departments or any division
5 thereof receiving a fraction of its requirements for
6 administration from the Federal Government, the contributions
7 hereunder shall be such fraction of the amount determined under
8 the provisions hereof and the remainder shall be contributed by
9 the State.

10 Every department which has members paid from funds other
11 than the General Revenue Fund, or other than the FY09 Budget
12 Relief Fund in State Fiscal Year 2009, shall cooperate with the
13 Department of Central Management Services and the Governor's
14 Office of Management and Budget in order to assure that the
15 specified proportion of the State's cost for group life
16 insurance, the program of health benefits and other employee
17 benefits is paid by such funds; except that contributions under
18 this Act need not be paid from any other fund where both the
19 Director of Central Management Services and the Director of the
20 Governor's Office of Management and Budget have designated in
21 writing that the necessary contributions are included in the
22 General Revenue Fund contribution amount.

23 Universities having employees who are totally compensated
24 out of the following funds:

- 25 (1) Income Funds;
- 26 (2) Local auxiliary funds; and

1 (3) the Agricultural Premium Fund
2 shall not be required to submit such contribution for such
3 employees.

4 For each person covered under this Act whose eligibility
5 for such coverage is based upon the person's status as the
6 recipient of a benefit under the Illinois Pension Code, which
7 benefit is based in whole or in part upon service with the Toll
8 Highway Authority, the Authority shall annually contribute a
9 pro rata share of the State's cost for the benefits of that
10 person.
